Nuneham Courtenay Newsletter**

**December 2017 – January 2018**

## FROM REVD PAUL CAWTHORNE

The nights are drawing in and Advent is coming close. Every year there is a wistfulness as the hour changes and there is less light for gardening or relaxing outdoors after the rigours of the day. Each day brings a little more constriction and chill. Bonfire night spears through the growing power of darkness with its rugged warmth and kaleidoscope of skylights (especially on our own local green). The heating gets turned up and indoor fires get lit earlier in the day as we try to ward off the oncoming cold. If we are fortunate, we can enjoy the cosiness of the hearth and the sense of shutting out the dark and the chill. If less fortunate, the season becomes one of making preparation for the bleakness of winter ahead.

Winter asks questions of us moderns in perhaps different ways from that agrarian lifestyle when the success of the harvest was a measure of how much comfort one could expect from the coming cold. It asks questions of how we face into the darkness, of what defiance means and what acceptance means, of how open we are to the changing seasons of life, of how prepared our stores are, and of how we retain hope that the future joys of spring are a horizon we can trust.

As the weeks of December that constitute Advent arrive, questions are asked of how much we realise our other needs too. How much we acknowledge our fragile human nature is in need of divine light and warmth, how open we are to the divine presence coming to share our messy world. It asks questions of how fully we really understand that world and what we should do with our hard-won unknowing. If we are fortunate we can resight the childlike side of life with a second naivete, we can bring back to our hearts the joys of gift-giving and excitement, the sharing and playing. If less fortunate our minds can get stuck on the hype and the commercialisation, the loss of normal balance and the desire for it to just be over. We are all one under heaven and most of us are a mix of these disparate elements of temperament and experience, of security and worries, of fear and hope. We are all one and we become more one as we wait in expectation.

So as our Advent unfolds, the innocence of nativity plays can bring us back into the primeval garden, the hurried shopping seems a metaphor for a distracted world, the planning for the big day takes on an almost Biblical significance, the relaxation of the following 'days of Christmas' bring a sense of relief and precious fellowship. The story of Scrooge's redemption in A Christmas Carol shows us a depth of life we can recognise and hopefully laugh with. The story of redemption in the arrival of a special baby in a dark world seems to laugh at the limitations of our adult preconceptions, to challenge us to open up to life's deepest mysteries.

It came upon a midnight clear that glorious song of old.....O hush the noise of mortal strife and hear the angels sing.

## **BALDONS PARISH COUNCIL NEWS**

### **Planning applications**

**Durham Leys Farm** P17/S3500/FUL: An application for a 2 bedroomed house to replace a hay barn in the farm yard has been supported with a recommendation to SODC for conditions to be applied.

**New Farm House** P17/S2706/FUL: An application for replacement of a single storey extension with a 2 storey one and conversion of garage to a single dwelling. The council has expressed some concerns to SODC.

**Masonic Centre Baldon Lane:** The council has been consulted on the club and licensing application for the premises which appear to be open from the end of the year. Although having no objections to the main hours applied for the council has recommended a reduction in the hours applied for New Year and Burns Night events.

### **Oxford to Cambridge Expressway**

Since the last newsletter more villages have joined the campaign pressing to influence the recommendations on the future expressway route options.

The Oxfordshire EAG( Expressway Action Group) consists of over 23 villages from across Oxfordshire representing over 25,000 people and more are joining every day. The Group is trying to find out more about the Oxford to Cambridge Expressway and the proposed routes to encourage proper public consultation before any decision is made. They are calling for a full public inquiry into this proposed new motorway route and development corridor for 100,000 houses because they believe that ten miles of Oxfordshire's green belt, unspoilt countryside and irreplaceable wildlife havens are at risk of being concreted over without any proper public consultation or a democratic mandate.

It is an important issue and we hope villagers and friends will want to keep up to date . The Parish Council will continue to put information in the newsletter but the action group have launched a Facebook page which you may want to follow. See: [fb.me/expresswayactiongroup](https://www.facebook.com/expresswayactiongroup/) or <https://www.facebook.com/expresswayactiongroup/>

The National Infrastructure Commission have very recently published their report and whilst it makes a number of important recommendations to government there hasn't yet been time for us to fully digest the contents . However it does urge the government to invest in further work by the Highways Agency on the route options for the Expressway.

### **Neighbourhood Plan**

Following consideration of the comments received in the recent consultation it is intended that the final version of the neighbourhood plan will be submitted to SODC in early December.

## **Bonfire**

The Bonfire evening was again hugely successful with a longer and better fire work display and great food and a bar. Thanks to all those who put the effort in before and during the night. And we mustn't forget that it raises money for the village. However both the council and members of the Baldons Events Committee who organise the bonfire are aware that there were problems this year in the dumping and control of material for the fire. Robin Timms, a member of BEC, attended a Parish Council meeting and we had a useful preliminary discussion on ways to improve the situation next year. We intend to continue this dialogue in the coming months.

## **Blenheim Corner**

There is a small area of village green at the eastern end and in the top right hand corner which has become very overgrown and inaccessible and the council is engaging a contactor to undertake some clearance and open it up a bit.

## **Road closure**

The council is aware of the frustration the recent road closure has caused. The work was to install fibre optic cables. We made great efforts to get information ahead from the contractors about the extent, timetable and the programme of work to minimise the inconvenience. But the information given and subsequent arrangement on site by the contactors did vary and was out of our hands.

## **SODC Lottery**

In the spring next year SODC planning to start a lottery which it is hoped will provide funds for local Charities as well as winnings for players. The Lottery will be played on line. More information will be available nearer the time.

**Date of Next meeting Monday 8<sup>th</sup> January, 7.30pm Village Hall**

### **POPPY APPEAL 2017**

Thank you to everyone who gave so generously to this year's Poppy Appeal. The total raised was £942.16, a wonderful amount for a small community. My thanks also to those who helped with the selling of the poppies, without your help we would not have achieved the amount which was raised.

Sadly it is with my deepest regret that if I cannot get more help for next year that 2018 will be my last year to organise this very important event. I have sold poppies in the village for 50 years, now age is catching up with me.

**If anyone feels they could take on this important fundraising for once only in each year please do contact me on 343318.**

Thank you

Iris Wright

## **NUNEHAM COURTENAY PARISH COUNCIL NEWS**

**Nuneham Courtenay Parish Council meeting** took place on 7<sup>th</sup> November, which was a wild, wet & windy evening. Understandably no members of the public were prepared to brave the elements to join Madhvi Saini, John Peters, Mandy Rigault, Sue Lawson & Lorraine Lindsay-Gale in the Village Hall.

However, they missed a professional & illuminating presentation by Chelsie Bickford, Simon Olliffe & Lucy Anderson from SSE on how to get extra support during power cuts. A Register for Priority Services is readily available for people who might consider themselves at risk, because of their young children; through illness, disability or age, in an emergency. Members of the public are encouraged to register for extra advice & services, free of charge. It was stressed that the completed information is not shared with other agencies.

**Call FREE: 0800 294 3259 or textphone: 0800 316 5457. Find our more at [ssen.co.uk/priorityservices](http://ssen.co.uk/priorityservices)**

The village issues with the Low Voltage Network was also addressed by SSE, explaining how the system was being upgraded to overcome recent faults & how extra protection devices were being fitted to help prevent any recurrences. The tree cutting programme was also discussed in the expectation of preventing further problems with the overhead network.

**Nuneham Courtenay Sports & Playing Fields Association [SPFA]** advised that the Lease to the Playing Fields is still with a local solicitor but it is hoped that this will be made available soon. The Council needs to agree to take over the lease, & legal responsibility, at an annual peppercorn rent &, after adoption, fund raising can begin in earnest, with the support of the whole community.

**Matters arising.** Council to meet SODC Conservation Officer to explain & preserve the uniqueness of the village. Councillor Sue Lawson will follow this up to re-establish a standard. Street lighting is an important element in establishing a zebra crossing. Questionnaire needed. District & County Councillor's reports were discussed with much time devoted to the exciting Culham Science Village development & any possible impact of extra traffic through Nuneham Courtenay. All villagers are advised to read the development plans & make their views known.

**Any other business.** Clerk to obtain 3 quotes for a defibrillator to be sited outside Village Hall.

Councillor Lindsay-Gale enjoyed the meeting & asked to be copied into future agendas. Stewart Deakin is moving outside Oxfordshire so has offered his resignation as Parish Clerk. Anyone interested in this remunerated role should contact Madhvi Saini directly for details.

**Date of next meeting: Tuesday 9 January 2018 at 7.30pm in the Village Hall.**

## FROM COUNTY COUNCILLOR LORRAINE LINDSAY-GALE

### Apply Online For Primary School Places

Applications for children due to start primary school in September 2018 can now be made online. Families with children born between 1 September 2013 and 31 August 2014 are urged to visit the primary school admissions pages on the county council's website to find out how to apply for places for next year. The council still accepts postal applications but recommends families apply online where possible, as this helps speed up the applications process. It also means families receive an automatic response confirming their application has been received and can be quickly notified if further information is needed. Those who apply online will also receive an email on allocation day, 16 April 2018, informing them of the outcome of their application. Postal application forms are available from all Oxfordshire schools and from reception at County Hall in Oxford.

### Help Someone Get Online – Be A Digital Helper At Your Local Library

Oxfordshire County Council recently launched a campaign to recruit 'digital helpers' in libraries to boost the confidence and skills of those who need extra help to get online. Volunteers able to give up just a few hours a week are being sought at branches across the county to provide one-to-one support for people with little or no experience of using computers or the internet. The aim of the campaign is to help people:

- access services online – including council services
- access employment or training opportunities
- become more independent
- reduce isolation

To find out more or to sign up as a Digital Helper visit:

### WINE, MINCE PIES AND QUIZ

At the December meeting of the Wallingford Gardening Club, our members will test their gardening know-how with a short quiz.

Following a very brief Annual General Meeting, they will all enjoy wine and mince pies!

This event will be held in the Ridgeway Community Centre, Wallingford at 7.30pm on Thursday 14th December.

Visitors very welcome £3.

## **CHRISTMAS WISHES FROM JOHN HOWELL MP**

As this newsletter will appear in December magazines I would like to take this opportunity to wish all constituents a peaceful Christmas and to send my best wishes for the year ahead.

We draw to the close of what, for many, is another unsettling year with change and uncertainty. I am always pleased to correspond with constituents on issues of concern. Sharing views can help people understand different perspectives. During the course of the year I have had some very interesting and informative exchanges with people. It is good to learn and understand, even when we do not agree. Sadly at times there is less graciousness in disagreement and I hope that in this season of goodwill there may be opportunity to greater understanding across our communities.

Many people in our communities work hard to make them special for the rest of us. I know that at times this can be a thankless task. May I take this opportunity to say a special thank you to all those who work hard on behalf of the rest of us in their voluntary work. It is always a pleasure when I get the opportunity to visit community activities and I look forward to learning yet more about what is being done in 2018.

With the many and varied means of communication available to us and the mass of information shared it can be difficult to get clarity on specific issues and this itself can be a cause of anxiety. Indeed at times situation develop so quickly that it can be difficult to keep up with things. The media will choose their key stories and report them as they will but there is always so much more going on than flashes past us each day. Perhaps the speed and volume of information coupled with the lack of time and opportunity to share views in any depth encourage the often argumentative and insensitive nature of social media.

For my part, as well as personal communications, I share what I am doing and my thoughts in specific issues on my website [www.johnhowellmp.com](http://www.johnhowellmp.com). I also produce a periodic electronic newsletter and briefings on specific issues as well as writing in these parish magazines. If you would like to subscribe to these please email me at [john.howell@oxfordshireconservatives.com](mailto:john.howell@oxfordshireconservatives.com) You can also follow me on Facebook [www.facebook.com/JohnHowellOxfordshire](http://www.facebook.com/JohnHowellOxfordshire) or on twitter @JHowellUK For those who are interested in the aspects of the detailed work of Parliament this can be followed on the Parliament website where there is a specific section dedicated to what is going on in the House.  
<http://www.parliament.uk/business/>

I look forward to continued correspondence on the wide range of issues that are of concern across the constituency in the New Year.

## **THE BALDONS FUEL CHARITY** **(but not just fuel)**

For the past 50 years, the Baldons Fuel Charity has been helping some residents living in Marsh, Toot or Little Baldon with their energy costs. Financial support has also been given towards **personal alarm systems for the elderly, training expenses, costs of education such as uniforms or school transport** or in any other situation when financial help might make life a bit easier.

The Charity has an annual income of about £15,000.

If you are experiencing financial difficulties, or know anyone in the villages who is, please let us know. Either talk to one of us or obtain an application form for a grant from the Clerk, Mrs Barbara Wright (343276) or any of the Trustees. All applications are dealt with in the strictest confidence by the Trustees.

**PLEASE LET US KNOW IF YOU NEED HELP  
THAT IS WHAT THE CHARITY IS FOR!**

**Trustees:**

**Chris Nichols (Chair) - 343388**

**John Wright - 343276**

**Ray Claridge – 343393**

**David Greenaway – 343496**

**Graham Hobbins – 343227**

**Alison Porter – 340405**

Help with energy costs may also be available from  
the National Energy Foundation [www.nef.org.uk](http://www.nef.org.uk)

## Seven Stars Switch-On

Forget Oxford Street, join us for some real sparkle when we switch on the Baldons Christmas tree lights at the Seven Stars, at 7pm, Friday December 8th.

Villagers from the Baldons and surrounding communities are all welcome at this informal festive get-together, where you can meet old friends or make new ones.

Delicious mulled wine and mince pies will be served and the pub committee will be on hand to answer any questions about becoming a shareholder.

Bring a Christmas decoration to hang on the tree if you like.

See [www.sevenstarsonthegreen.co.uk](http://www.sevenstarsonthegreen.co.uk) for more info on this and other pub events or contact Matt and his team at the Stars via [info@sevenstarsonthegreen.co.uk](mailto:info@sevenstarsonthegreen.co.uk).

For information on becoming a BNCS shareholder see [www.bnctltd.com](http://www.bnctltd.com) or e-mail [info@bnctltd.com](mailto:info@bnctltd.com).

I am currently working as an au pair in Marsh Baldon. I will be returning to my native France next July to pursue a degree in children's education but while in the UK, I would like to get as much experience as possible

I am currently free most days between 10am and 2pm and after 7.30pm.

I am very practical and available for running errands or helping out with children and babysitting. I am very good at inventing and playing games, creating artwork, cooking French specialities, and can help out with French homework too.

If this advert is of interest to you, please email [astridpechdelacause@yahoo.fr](mailto:astridpechdelacause@yahoo.fr) for more information.

7.30pm

in Marsh Baldon village hall

We kick off the New Year with our January meeting of the South Oxon Filling Station back in Marsh Baldon village hall. Our speaker will be David Bunn, with a talk entitled 'Listening to God'. He will be addressing how and why busy professionals in today's high-pressure world should even attempt to find time or space for meditative practices, with some practical application of how to halt the mind's constant tirade for a very few moments and listen to God.

If you are interested you can find out more at <http://thefillingstation.org.uk>.
