July 2011

Dear friends

So many of us will be going away on holiday sometime this summer. The risk of rain is always a feature of our English summers. I was away last week in Somerset and yes, it rained a lot. I was not able to enjoy the outdoors as much as I'd hoped but that's England for you. But even though the weather was disappointing and I was there to study anyway, I came back energised and in much improved mood than when I had left. I did enjoy my break but the benefit seems not so much what I did whilst I was away, but the way I saw things differently when I came back. All the little things that had been niggling me seemed not so important, everything seemed restored to more manageable perspectives. So often I plan my holiday with such high expectations. I imagine I am going to discover something wonderful, and I have indeed seen many amazing places around the world. But I have also discovered the greatest gift of a holiday can be the changed perspective on the ordinary things at home on my return. I just seem to enjoy them so much more when I have been away for a while. I come home much more settled and stable. Whilst away, I discovered these words by Anthony Bloom of the Russian Orthodox Church, they seem to reflect something of what I discovered.

“What is it then to be stable? It seems to me that it may be described in the following terms: You will find stability at the moment you discover that God is everywhere, that you do not need to seek Him elsewhere, that He is here, and if you do not find Him here it is useless to go and search for Him elsewhere because it is not Him that is absent from us, it is we who are absent from Him. ... It is important to recognize that it is useless to seek God somewhere else. If you cannot find Him here you will not find Him anywhere else. This is important because it is only at the moment that you recognize this that you can truly find the fullness of the Kingdom of God in all its richness within you; that God is present in every situation and every place, that you will be able to say: ‘So then I will stay where I am.’”

Don't cancel the holiday – enjoy it but enjoy home even more when you get back. Safe journeys!

Best wishes,

Ros

WALLINGFORD CHURCH CHOIR WINS CLASSIC FM COMPETITION!

Wallingford Parish Church Choir's success in winning a competition by Decca/Classic FM for the nation's best-loved church choir resulted in the recording of the most popular hymns on 'The Hymns Album', which was released on 26th April.

The choir also took part in two recordings for 'Songs of Praise', the second of which will be broadcast on Sunday 26th June. You can see how it all happened on YouTube under Wallingford Parish Church Choir. The CD is available from Just Trading and The Fountain Book Shop in Wallingford or on Amazon.

Our last session saw members attempting a scrap heap challenge using a variety of recycled materials! They were very creative with the results seeing a robot and very long train!

The rest of this term's sessions are as follows

- 24th June – wildlife special
- 1st July – youth-youth club
- 8th July
- 22nd July – BBQ

We hope to see you at one of the above sessions if you're aged 11-16. Sessions start at 7.30 and finish at 9.30. Fee per session is £2.00 and £3.00 annual fee. For more details call Monica 343475 or Darren 343640.

Look forward to seeing you soon.

Youth-Youth Club

From September we are going to trial running a youth youth club for those in years five and six who live in the Baldons or Nuneham and also anyone else who goes to Marsh Baldon School. This will take place fortnightly on Friday evenings and follow the same format as the existing Youth Club. If you are interested in helping out please contact James Bufford (340091) or Darren Baber 343640)

BALDON FEAST 2011

The Baldons annual fete is upon us again - this is a great event for all the family. The fantastic stalls and events from The Baldons and Nuneham Courtenay promise to make a great occasion, rain or shine!

*Who will win this year's Hamper? It will be stuffed full of goodies.
There will be raffle prizes just waiting to be won.*

There will be plenty of seating and a magnificent band, all to be enjoyed with a cup of tea and cakes or a pint or perhaps a glass of wine. What a way to enjoy an afternoon. And why not have a go at the 'Aunt Sally' or try 'Bowling for the Pig' or one of the other games available?

Also there will be various stalls including Nearly New, Books, 'Bottle Tombola' and cakes just to mention some. And there will be plenty of food from the more traditional to an Oriental Food Bar run by Cockadoo!

Mason's Funfair will be in full swing with their roundabouts, dodgem cars and stalls.

And the fete organizing committee have some special surprises up their sleeves to make this a really memorable day...look out for your programme!

Bottles, Cakes and Books! Baldon Feast Saturday 20th August

The Church will again be running a bottle tombola, a cake stall and a book stall at the Baldons Feast and Fete. We would be enormously grateful for all contributions towards these stalls, which raise money towards church projects. To make it very easy for you, we will be calling at your home in the week before to collect your bottles. Alternatively all donations can be dropped off at the Village Hall the night before (19th), between 6 and 7pm.

If you would like to help further, or have any questions, please contact Veronica Sandilands (343478) about cakes, Sara McDouall Saw (343567) about bottles or Stephen Dance (341323) about books.

Many thanks in advance for your generosity.

Do you have spare wool you could donate to a good cause?

The Day Centre are once again taking part in The Big Knit, a nationwide campaign run by Age UK and innocent smoothies.

For the Big Knit, Age UK and innocent ask knitters of all ages to get creative and come up with their own designs for mini-woolly hats. Once knitted and sent to Age UK, these tiny masterpieces are placed on top of innocent smoothie bottles, which are then sold in stores across the UK.

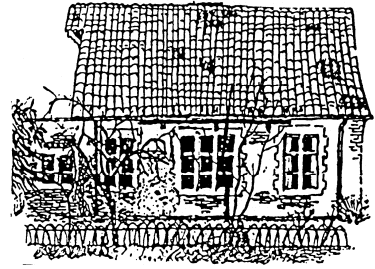

For each hat knitted, innocent donates money to Age UK to make winter warmer for older people. With the help of thousands of individuals across the UK, Age UK hope to hit their target of 650,000 little woolly hats, raising £162,500 for Age UK.

The Day Centre (which operates in the Baldons Village Hall, twice a week) are asking for donations of **DOUBLE KNITTING WOOL**, to help them match last year's amazing achievement of knitting over 1000 hats!!

If you can help, please contact Phylis Slaney on 343275.

MARSH BALDON SCHOOL NEWS

This year seems to have flown by! And what a year it has been! Our successful inspections seem a long time ago now! One thing I do know is that everyone is ready for a good long rest over the summer.

It is an extremely busy time now and there appears to be no letting up before the end of term in the middle of July. I am extremely grateful to all the staff for all the work they put in for the benefit of the children. This school is certainly one the village can be proud of.

In May, we held another very successful Maypole Display. We had a great crowd, including our friends from the Day Centre and a good time was had by all. We were also visited by the Bishop of Dorchester who joined in our Friday Celebration Assembly.

This term it is geography all the way and the children are busy finding out about different places. The oldest children are studying Marsh Baldon, the village and have been out to various spots in the neighbourhood. One of the visits was to St Peter's Church.

Church of St. Peter, Marsh Baldon.

“On Wednesday 8th of June 2011 Class 3 students from Marsh Baldon School went to the church of St. Peter. When they got there the pupils were split into pairs and given sheets of questions such as: What is the name of the church? As soon as they got to the church door some of the pupils could tell that it was a Christian church because by the door there was a model of Jesus' tomb and the three crosses on the hill. They answered questions in and outside the church, including looking at all of the graves to find the oldest one. Some pairs found that the oldest grave was 1616.”

HELP PLEASE !!!

Dear Villagers

Class 3 have been doing some detective work around the village to uncover secrets about its past. We have been looking at documents, buildings, the church and old records including the Domesday Book. Does your house have a secret past; do the deeds tell you anything that we might find interesting, do you know some stories about the village that we may not know? If so we would be really interested to hear from you.

Thank you

Class 3

Year 1 also wrote their own poem together
From the window

From the train I can see,
The candy-floss clouds,
The hills so high,
The gigantic waves are washing in,
The black and grey smoke coming out of the funnel,
The hills are so green with tall, tall trees,
The boulders that hold the track up,
We stop at the station and that's what we've seen.

Sadly we will be saying goodbye to quite a few people at the end of term. We have a very special group of Year 6's this year, who will be leaving us at the end of term and we wish them every success in the future but hope also that they will come back and tell us how they are doing. I can honestly say they have been great role models and fantastic ambassadors for both the school and their families. So good luck to Joanna, Zoe, Lillie, Mollie, Katie-Olivia and Morgan, we hope you have a great time at your next schools.

We will also be saying goodbye to Mrs Carol Ingman. Carol has been a TA at the school for eight years and during that time she contributed so much to the life of the school. So many children at Marsh Baldon have been lucky enough to have worked with Carol and she will be missed by everyone here. The children at Five Acres Primary School are very lucky!

We have a number of events planned for the rest of the term. Everyone from the village is more than welcome to come and join us for these:

Thursday	7	July	Sports Day – on the green
Friday	8	July	School Council Activity Day
Friday	15	July	Area Sports – 6pm at Horspath Athletics Track
Monday	18	July	Achiever's Assembly 9.00am School Hall
Friday	22	July	Leavers Assembly - Church 9.00am

Please say hello to the children if you see us in and around the village. On behalf of everyone at the school, I hope everyone in the village has a great summer. We reopen on Tuesday 6th September.

Nick Pitson – Headteacher

BALDONS PARISH COUNCIL NEWS

Flooding Problems Baldon Lane

Arising from the problems of a broken sewage pipe in Baldon Lane in March and at the request of Mr Keith Messenger, acting on behalf of his mother who lives in Baldon Lane, members of the Baldons Parish Council met with Mr Messenger and representatives of Thames Water and Oxfordshire Highways to discuss the periodic flooding problem and available solutions. It was agreed that the main problem has been inadequate sewage pumping capacity in Thames Water's pumping station in Baldon Lane, exacerbated by poor surface water drainage in the area during periods of exceptionally heavy rainfall, causing the pumping station to fail. Thames Water are planning to uprate and improve the pumping station which should make a significant difference: Baldons Parish Council will energetically encourage Thames Water to implement this proposal as soon as possible. In addition the risk of flooding will be further alleviated by clearing the nearby ditches and water courses so that any surplus surface water can escape from the low point in the road. As mentioned in a recent newsletter land owners do have a riparian responsibility to keep ditches and water courses adjacent to property clear and free flowing and it is hoped that villagers / landowners will help and cooperate with this.

Oxfordshire County Council Library service consultation

Earlier in the year the OCC announced a plan to review and possibly close a number of libraries as part of their need to save money. Following that consultation and feedback the OCC has developed new proposals for the future of the library service. The proposals include the retention of all libraries. A core group of libraries will remain fully funded and staffed, which includes the Berinsfield library previously suggested for closure. Other libraries with lower levels of usage are also intended to be retained but with some participation from volunteers towards the day to day running. Full details of the proposals are on the County Council web site for 4 months consultation ending on 30th September to which anyone can respond. <http://www.oxfordshire.gov.uk/libraryserviceconsultation>

Applications for Free Bus Passes

Oxfordshire County Council will be responsible for the issuing of bus passes from April 2012. To assist in setting up the administration of the scheme OCC are asking the public for their views via an online questionnaire open from 6th June to 10th July. See www.oxfordshire.gov.uk and follow link to 'respond to consultation' on the home page.

NUNEHAM COURTENAY PARISH COUNCIL NEWS

Next Meeting

The next meeting of the Parish Council will be held on **Tuesday 5 July 2011** at **7.30 pm**. We are very pleased to be able to return to **Nuneham Courtenay Village Hall**.

The meeting is open to parishioners and we would be delighted to see you there. Any items for discussion should be notified to the Clerk a minimum of seven days before the meeting. Alternatively matters can be raised at the meeting, but the answering of any question may have to be dealt with after the meeting.

Agendas and minutes of meetings are available on the NCPC website and are normally posted on the notice-board outside the Village Hall. Agendas and minutes will also be e-mailed upon request.

General Update

- **Planning applications**

Old Post Office: The applications for listed building and planning consent for change of use from shop and store to craft workshop and store were approved by South Oxfordshire District Council on 31 May 2011.

29 Nuneham Courtenay: An application has been made for planning and listed building consent for a new extension at the rear of the property. The plans were presented at the last committee meeting. The applications are due to be determined by 4 July 2011.

- **Highways.** The County's drainage engineer has been contacted following the recent less than comprehensive clearing of road and pavement drains. A meeting will be arranged shortly. No response has yet been received from the Highways Area Steward regarding other highways matters - as well as kerbs, the increasingly damaged road surface and speeding issues, the Parish Council has also been asked to take forward a request for increasing the bicycle racks at the Baldon Lane bus-stop and to seek the replacement of road-markings on the A4074 where these are wearing away.
- **Drainage.** The Parish Council has not been formally notified but, at the time of producing this article it is understood that works are shortly to commence on the by-pass drain running at the rear of the allotments on the west side of the village.
- **Grants Policy.** The Parish Council now has a grants policy, and some very limited funds, for making available small grants to organisations and groups that would bring benefit to the Parish. A copy of the policy is available on the NCPC website. Applications should be made in writing to the Clerk.

Thanks

The Parish Council would like to thank Marsh Baldon Village Hall Committee for allowing the use of their hall over the last year.

Strength and Relaxation Exercise Classes

Why would you go to an exercise class in the village hall? It might be full of superfit people who can do all the exercises with ease ... and do you really want to exercise in front of people who know you? Is this really where you want to spend your evening? Wouldn't it be better to follow up that resolution you have had for years to join a gym? Or follow up that other resolution to take exercise by walking around our beautiful villages?

In an ideal world we'd all take our exercise by walking or cycling everywhere, or going to the gym regularly. But the reality is that for whatever reason, be it the weather, lack of time or impracticality, we don't walk / cycle everywhere, even within our villages. And finding the time (and money) to go to a gym can be tricky.

So some of us in the village started going to the Strength and Relaxation exercise class run by Caroline Wilkes in the Baldons Village Hall on a Wednesday evening. This small group is of mixed ability, and the exercises are tailored to this, with more or less "stretching" exercises. Caroline caters for all ages, from newly post-natal mums to those of more mature years.

The class starts at 7.45, to allow people to get home from work / eat / put children to bed or whatever, and costs £5.80 for a one hour session. Clothing is "comfortable" rather than skintight gym kit, and the atmosphere is informal (although at the end you realize that you have been gently pushed into doing some real exercise!)

The emphasis is on improving strength, flexibility and overall wellbeing, rather than lots of leaping about! Many of the exercises are based on yoga or pilates, but Caroline has developed her own style of class, based on more than 16 years of experience teaching exercise. Caroline's understanding of the human body and behaviour and the benefits of exercise also comes from psychology degree studies and holistic massage which focuses on the body as a whole..... physical, emotional and spiritual.

After a few weeks, we really started to feel the benefits, discovering abilities and flexibility we thought we never had, or was lost and gone for ever! And after a few months our overall fitness levels have improved markedly.

So come and join us and fulfil that resolution to take up regular exercise – right in your own village!

If you are interested please contact Caroline Wilkes on (07930) 540111 or email carolinew@llexan.com
